PESKE-TUK

Peske-Tuk

Long before any white man set foot on the soil of New England there was a divided river known in the Indian tongue as Peske-Tuk. Today this river is known as the Connecticut River.

We have taken its ancient Indian name for our yearbook realizing that in future years this title, Peske-Tuk, will remind us of our heritage at Turners Falls High School and of the years spent with the class of Nineteen hundred and Seventy Nine.

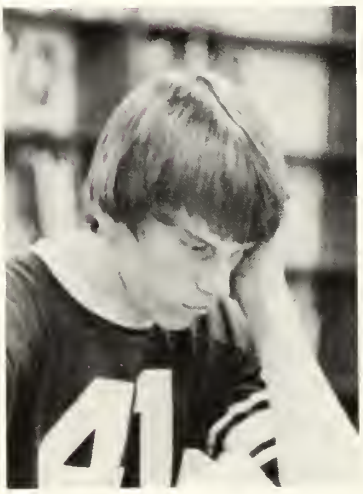
The secret of life
is enjoying
the passage of time

Any fool can do it;
there ain't nothing to it.

Nobody knows how we got to the top of the hill

But since we're on our way down; we might as well enjoy the ride

The secret of love is in opening up your heart



It's O.K. to feel afraid but don't let that stand in your way

Since we're only here for a while; might as well show some style

Give us a smile

Isn't it a lovely ride
sliding down
gliding down

Try not to try too hard;
It's just a lovely ride.

Now the thing about time is
that time isn't really real

It's just your point of view

How does it feel for you

The smile upon your face

Welcome to the human race.

Susie Zewinski leaves always being after Sandy.

Class

FRESHMEN - 1975-1976 - Starting our Freshmen year was fun. We were so excited to have our very own section in the gymnasium for the rallies after having to share a section for two years while in junior high. We even knew to yell when the cheerleaders said "Let's hear it from the Freshmen"! But organizing for Booster Day was a different story. Remember our great Bicentennial Flag that lost and Debbie Naida winning Lady in Waiting in her field hockey uniform? Then coming back to win the decorating of the second floor for Turkey Day along with the Sophomores. No one will ever forget having to say good-bye to Mr. Bassett and what a great person he was to have around our school. The highlights of our Freshmen year were just the beginning and forming of one wild and crazy class. One year down — three more to do!

SOPHOMORES - 1976-1977 - Everyone was anxious to order our class rings, but no one could decide on exactly what they wanted. Speaking of rings, remember our great success as jewelry salesmen? We raised barely enough money to buy the needed supplies for our car wash. We turned out to be better car washers than salesmen. That year's float theme was Sesame Street and Booster Day held a big surprise for us when we won honorable mention with Big Bird - our one and only float success. Patti Emond represented our class as Dutchess & We won the Turkey Day floor decorating contest again. Although we missed Mr. Bassett, Mr. Dobosz was warmly accepted by all as the new assistant principal. Two years down — two more to go!

JUNIORS - 1977-1978 - Our junior year started off by selling Turners Falls Indians gym shorts and T-shirts to

History

raise money for the Prom. We were guided by our new advisor Miss Aubrey who replaced Mr. Upton. Booster Day soon came around with the Looney Tune Characters theme. Remember attempting to make Speedy Gonzales, his hat turned out to be three times as big as he was. Our princess for Booster Day was our one and only Tami "Cupcake" Nelson. We spent a lot of time and energy preparing for our Prom which was held at Wiggins Tavern in Northampton. This was one of our few successful class projects. Three years down - only one more to go!

SENIORS - 1978-1979 All right -We're here- We're THE SENIORS!! Our class of '79 is the first class to live through all six grades at the new T.F.H.S. 1979- We're #1!! We'll never forget our Senior year. Remember: fighting for our privileges, graduation pictures, electing class personalities, deciding on a yearbook quote, the June 8th announcement, getting measured for caps & gowns, formation of MMP, Cupcake trying to announce our float at the class meeting, the Seniors conducting their own parade in the Booster Day rain, never getting used to calling Miss Aubrey Mrs. Megliola, Mr. Upton leaving, girls volleyball Western Mass. Champs, heaven on the day the P.A. broke down, striking against school on snowy days, bloodmobile fear, winning the floor decorating contest for the third year, and our crazy class at the Turkey Day rally. The class voted for Lisa Demars as the 1978 Booster Day Queen. The float theme was Disney World and we unanimously chose Donald Duck for our float which lost. The class of 1979 will be the last graduating class of the seventies. There will *never* be another wild and crazy class like ours! Four years down - ---- GOOD BYE!!!!!!!!!!!!!!

Turners Falls

While you may not think of the town of Greenfield as being world renowned, it is because for over 105 years thread cutting tools and gages have been shipped around the world with the word "Greenfield" imprinted on them.

We are very proud of this fact as it is the high quality of Greenfield tools that has enabled us to make the world GTD's customers. But more importantly, we are proud of the people who make these tools. For over five generations people in this area have been demonstrating their skills by producing a line of thread cutting and gaging tools that are the finest in the world.

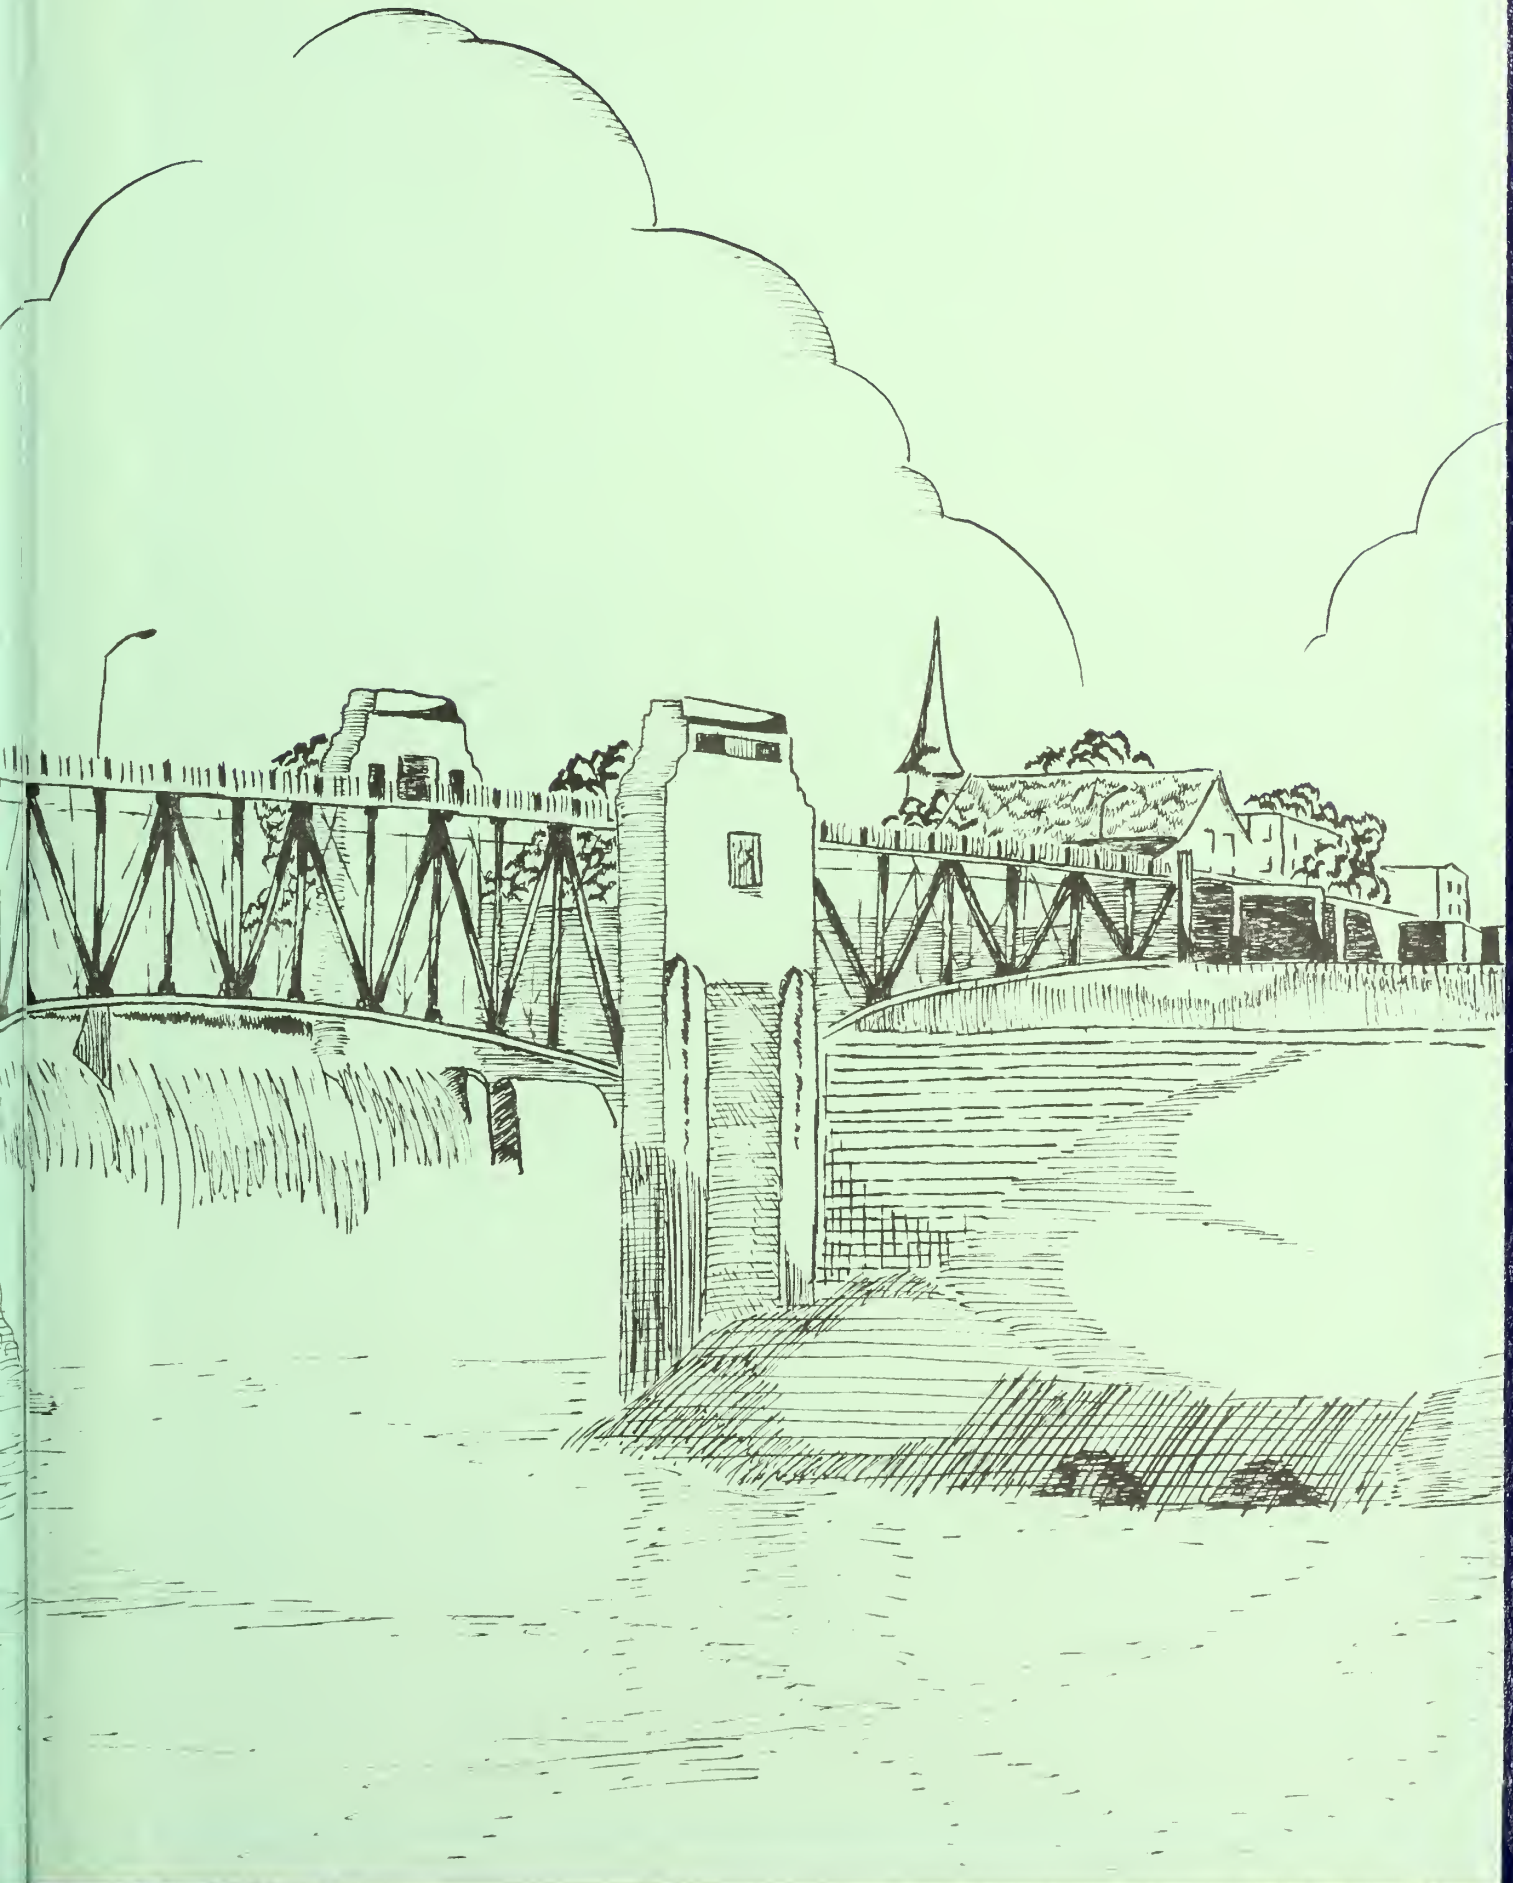
Peske-Tuk

Long before any white man set foot on the soil of New England there was a divided river known in the Indian tongue as Peske-Tuk. Today this river is known as the Connecticut River.


We have taken its ancient Indian name for our yearbook realizing that in future years this title, Peske-Tuk, will remind us of our heritage at Turners Falls High School and of the years spent with the class of Nineteen hundred and Seventy Nine.
